

24th Northwest Algal Symposium

Cornet Bay Environmental Learning Center
Deception Pass State Park, Whidbey Island, WA

April 16-18, 2010

NWAS provides an excellent forum for the exchange of information and ideas covering all aspects of macro or microalgal research with an emphasis on seagrasses, bioenergy and citizen science in a relaxed and informal setting

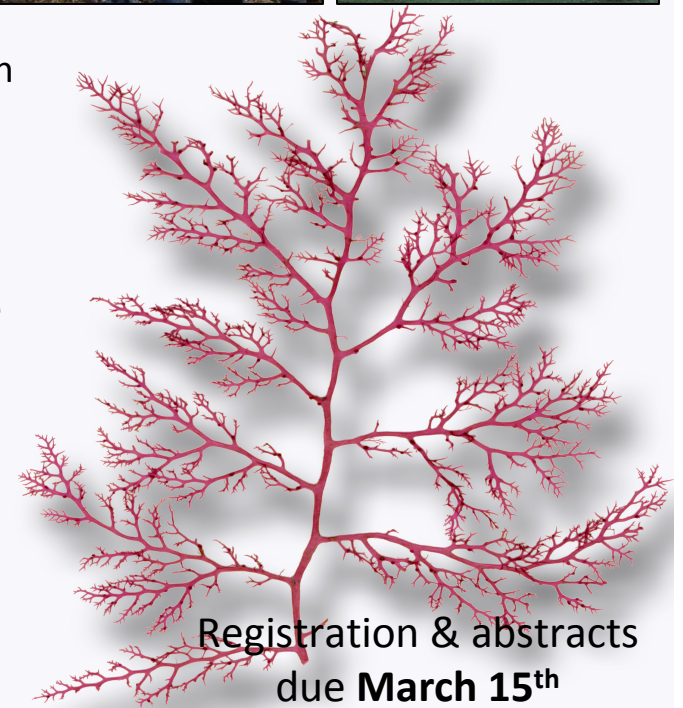

We invite graduate and undergraduate students, long term algal aficionados and novices alike to participate. The symposium will include oral and poster presentations. Monetary awards will be presented for the best student poster and best oral presentation

Includes

- Friday night mixer and poster session
- Saturday night banquet and auction of phycological memorabilia
- Sunday field trip to the west side of Whidbey Island

Students are encouraged to apply for travel and registration assistance

For conference details and further information, visit the website: www.nwasalgae.org

Registration & abstracts
due **March 15th**
