

Deadline for abstracts is: March 15, 2010

Abstracts should be submitted by email directly to Bob Waaland at jrw@u.washington.edu . BE SURE TO INCLUDE "NWS ABSTRACT" IN SUBJECT LINE OF EMAIL MESSAGE.

Be sure to indicate the type of presentation:

15 minute talk (abstract attached)

Poster presentation (abstract attached)

A PC-laptop computer and LCD projector will be available for presentations. Please bring your presentation on a flash drive or CD and be prepared to load your presentation onto the computer when you arrive at the symposium. If you used an Apple Macintosh computer/software to create your presentation, it is best to bring your own Apple laptop and **make sure you have your own computer projector connector cable** (almost every model has a unique cable to connect to the standard "blue" 15 pin plug)

If you require special equipment (overhead projector, 35 mm slide projector), please indicate here:

Abstracts should follow the format shown below and be saved as Word "doc" files using 12 point Times New Roman font.

TITLE (In caps)

(space)

Author first name and last name. Affiliation. (Please underline the speaker's name if more than one author.)

(space)

Abstract should be single spaced and limited to 250 words.

Example:

QUANTIFYING GROWTH AND CALCIUM CARBONATE DEPOSITION OF A
CORALLINE ALGA IN THE FIELD USING A PERSISTENT VITAL STAIN

Patrick T. Martone, Dept. of Botany, University of British Columbia, Vancouver, BC
Canada

Growth and calcium carbonate deposition rates of the coralline alga *Calliarthron
cheilosporioides* were quantified
