Faculty Profile

This voluntary form is used to develop profiles of SPU faculty interested in writing grants to support scholarly and curricular agendas. By staying informed of your current projects, anticipated needs, and future dreams, we will be able to send you notifications of appropriate grant announcements as they become available. We will also be able to research possible grant opportunities for upcoming projects.

Please complete this form if you wish to be notified about grant opportunities. We suggest that you update it on an annual basis.

NOTE: This form does not replace the Institutional Approval form that must be completed before a grant application is submitted.
