

Application for Declared Engineering Major or Minor

Deadline January 30, 2010

Return completed form to Dr. Kevin Bolding (EE,CPE) or Dr. Elaine Scott (GEgr, PhysSci)

Use this form to declare a major or minor in Electrical Engineering, General Engineering or Computer Engineering.

Criteria for Admission to Engineering Majors

Student performance during the first two years will be used as an indicator of the student's promise of success in engineering. Application for admission to an engineering major should be made in the Winter Quarter of the sophomore year. Transfer students will be evaluated for admission on a case by case basis.

For applicants to the electrical engineering major or the general engineering computer engineering concentration, the completed coursework must include EE 2726 Circuits I or a course taken at SPU requiring Circuits I as a prerequisite.

For applicants to the general engineering mechanical or appropriate and sustainable concentrations, the completed coursework must include either EE 2726 Circuits I or EGR 2891 Statics, or a course taken at SPU requiring Circuits I or Statics as a prerequisite.

Students must complete the major requirements in effect in the SPU Undergraduate Catalog year of admittance to the major.
