

H1N1 UPDATE 11/6/09

We have Vaccine!

The following groups are now being vaccinated.

- Health Care Providers
- Emergency personnel in Safety and Security
- Pregnant Women
- Care givers of infants 0-6 months of age
- RLC's, PA's

Call 206 281 2231 to schedule an appointment. Voicemail and email appointments not accepted. Cost is \$5 payable in cash or by check.

NEW

Beginning November 9, 2009

Under age 24 with **serious health conditions**

Watch your SPU email for the date the vaccine is available for the following groups.

- Age 25 and up with serious health conditions
- Age 24 and under and healthy
- Age 25 up and healthy
- Anybody

For non SPU students here is a link to King County pharmacies also giving the vaccine.

www.kingcounty.gov/healthservices/health/preparedness/pandemicflu/swineflu/locations

You can check locations and your eligibility.
