

Bank of America at Work Program

Seattle Pacific University is pleased to announce that through our alliance with Bank of America, we will now be offering employee financial service benefits. These benefits are combined with over 5,700 Bank of America banking centers and more than 16,500 Bank of America ATM's Nationwide. Account holders can experience additional value and convenience through:

- **Free or discounted pricing on checking**
- **Free Online Banking with Bill Pay**
- **Preferred rates on loans**
- **Closing Cost Credit on mortgages**
- **And More!**

You can also receive personalized service by visiting any Bank of America Banking Center, or by visiting the Bank of America at Work™ web site (www.bankofamerica.com/groupbanking/choices). This Web site is maintained exclusively for Bank of America at Work customers and is always open. It serves as an excellent source of information about the banking benefits you are entitled to. The Bank of America at Work site also provides financial information and interactive tools, like financial calculators that can help plan ways to meet individual financial goals.
