(Educator pricing not available on Bose.com)

Special pricing on Bose products is available to higher education faculty and staff members who call the Bose Educators Direct Group at 1-888-501-2673. This offer covers many Bose systems and speakers, including Wave® systems, home theater systems, stereo speakers, headphones and headsets, outdoor speakers, multimedia audio systems, and accessories. Special pricing for educators is available once per year for home use and an unlimited number of times for school use. This offer cannot be combined with any other special or promotion.
