

SPRINT Online Application Questions

Please compose your answers to these questions in a word processing document, then cut and paste your responses into the online form. While length of responses is not a key criterion in the selection process, please make sure your responses clearly answer the questions. Before submitting your responses, please review your answers for clarity, coherence and content.

Faith and Experience

How would you describe the last 12 months of your personal spiritual journey? Are there any particular lessons you've been learning or ways you have grown recently?

Describe any team involvement, leadership experience, or ministry work you have had with your church, at work, at school or as a volunteer over the last several years.

Have you visited, lived in, or been exposed to another culture? Please describe your experience.

To help us make the best participant/trip match, if you are interested in a particular people group, country, issue, or type of service, please explain.

Why SPRINT?

During your SPRINT experience, what do you hope to learn from an in-country host community?

How do you hope to grow personally as a result of your SPRINT experience?

What do you hope to contribute as a member of a SPRINT team?

What else do we need to know about you?

Are there any personal medical history (past or present) that may affect your participation in the trip?

Have you been subject to disciplinary action by SPU? (Answering yes will not necessarily prevent you from being considered for the SPRINT trip.) If yes, please explain the circumstances.

References

Please provide contact information (name, e-mail, phone) for two people who are familiar with your character, leadership ability and potential as a member of a team.
