

*Vision: ensure that every child is safe, healthy, encounters Christ, and engages in learning during the summer months.*

## **Summer Day Camp Classroom Lead**

**Program Description:** Join Urban Impact as we challenge elementary students to keep learning this summer. Students will practice grade-level skills, participate in Bible-based lessons in chapel, express themselves creatively in enrichment classes, and explore Seattle through all-day field trips each week. Volunteers and interns will develop leadership skills and gain hands-on experience working with elementary students in an urban, cross-cultural setting.

**Job Description:** Classroom Leads will teach a class of about 15 students (Kindergarten, 1-2, or 3-4) for three 45-minute academic blocks each day. Classroom Leads will also be responsible for guiding their class through all daily activities and field trips, encouraging student participation, learning, and positive interaction. Each Classroom Lead will be supported by assistant staff (volunteers or high school interns).
