

*Vision: ensure that every child is safe, healthy, encounters Christ, and engages in learning during the summer months.*

## **Summer Day Camp Enrichment Teacher**

**Program Description:** Join Urban Impact as we challenge elementary students to keep learning this summer. Students will practice grade-level skills, participate in Bible-based lessons in chapel, express themselves creatively in enrichment classes, and explore Seattle through all-day field trips each week. Volunteers and interns will develop leadership skills and gain hands-on experience working with elementary students in an urban, cross-cultural setting.

**Job Description:** Enrichment Teachers will plan, prepare and lead a group activity that engages students in creative thinking and positively channels their energy for an hour-long class. Past classes have included pottery, painting, paper mache, sign language, and team-building games. Enrichment classes will have 15-30 students of mixed ages, kindergarten through fourth grade. Enrichment classes are on Monday and Wednesday afternoons, so one day would have a younger group of students and the other day would have older students, or, depending on the activity, the enrichment time may be split in half and students will rotate between two options. The Enrichment Teacher will be supported by lead classroom teachers and assistants from each class who will be responsible for student behavior.

### Primary Responsibilities

- Plan and prepare enrichment activity
  - o Assemble any necessary supplies (preferable if donated, ask about available supplies or reimbursement)
  - o Plan to adjust activity as necessary to varying age levels of students
  - o Communicate your time commitment and space needs to site manager
- Lead enrichment activity
  - o Engage students in activity through clear directions, example (if applicable), and encouragement
  - o Direct classroom lead teachers and assistants how to help facilitate
- Be a positive role model
  - o Encourage students academically, socially, and spiritually
  - o Affirm student strengths and improvement
  - o Model respectful interaction with other staff

### Expectations

- Commit to at least one class session
- Hours: 1:15-2:30 Monday/Wednesday
- Arrive early to set up, be ready to start activity promptly
- Be a positive role model
- Complete volunteer application, orientation with site manager, and exit survey

### *Program Dates:*

- Summer Day Camp: July 9-August 16
- Final Celebration: August 18

### *Return Applications To:*
