Housing Incentive Program

We are excited to announce a new incentive program for campus housing! If you turn 20 prior to the first day of Autumn Quarter classes (September 26, 2011, for the upcoming year) and live in SPU housing all three quarters of the academic year, you will receive a 40 percent credit off of your Spring Quarter room charge. Even better, if you choose to live on campus the following year, you will receive 80 percent off of your Spring Quarter room charge that second year. Depending on where you live, that could be a potential savings of up to \$900 the first year (\$100 a month) and up to \$1,800 the second year (\$200 a month). The chart below outlines how these credits could affect your approximate monthly rate. (Please note that rates may change in future years.)
