**Application for Non-Study Leave of Absence**

This application is required for prior approval of a leave of absence from Seattle Pacific University for those students who *will not* be studying elsewhere. Students planning to study at another institution or through a study abroad program should complete the “Application for Leave of Absence—Studying Away.” We understand that at times circumstances or opportunities may arise where you need to stop attending SPU for a period of time. Completion of this form will help key offices such as Student Financial Services, Student Life, and Student Academic Services plan for your return.

If at all possible, please notify Student Academic Services of your intent for a planned absence prior to the start of registration for the following quarter:

Autumn Quarter  
Winter Quarter  
Spring Quarter

May 1  
November 1

**LEAVE OF ABSENCE POLICY**

We understand that students may need to take a leave of absence from the University for financial reasons, for personal considerations such as illness within families, or for medical reasons. Students do not apply for readmission to SPU if they take a leave of fewer than nine quarters. After an absence of fewer than nine quarters, the student will be responsible to complete the same degree requirements as expected upon his or her first quarter of matriculation at the University. An associate degree completed during a leave of absence of fewer than nine quarters will not be recognized by the University.

Students approved for leave are eligible for a priority registration appointment upon their return to SPU. If your anticipated quarter of return changes, please notify the Registration Coordinator at 206.281.2568 or email [sasinfo@spu.edu](mailto:sasinfo@spu.edu).

### **A note from Student Financial Services**

Students must notify Student Financial Services about any change in planned period of enrollment, whether due to withdrawal from a class, a leave of absence, or withdrawal from the University. The specific requirements by which the student agreed to abide at the time any financial aid was accepted will remain in effect.

A student who takes a leave of absence may be subject to the federal *Return of Title IV* and state financial aid return policies and to the terms of their student loan(s). *International students are bound by particular federal laws with regard to leave of absence; therefore this policy does not apply to them.*

While a student is on Leave of Absence, the University will report the student's enrollment status to lenders and loan service entities as "not attending," and a student loan borrower's grace period will begin. Students on an SPU leave of absence who do not attend school elsewhere for two consecutive quarters (including summer) or who attend another institution less than half time for two or more consecutive quarters (including summer) will be expected to begin repayment on some or all of their loans. Students are advised to contact their lender(s) regarding their enrollment plans and for repayment information and grace period expiration.

### **Additional leave of absence requirements**

- Students are not eligible to reside on campus, attend classes, or participate in regular campus activities during their absence.
- Students are responsible for all prior arrangements with applicable student service offices (i.e. Student Financial Services, Student Academic Services, University Services, Residence Life, Athletics, etc.)
- Students must keep the University apprised of their current contact information, including mailing address and phone number, while on leave of absence.
- Students must meet all regular University deadlines for registration, housing reservations, financial aid applications, and similar matters. Financial aid/scholarship awards and University housing reservations do not automatically carry over.
