Application for Studying Away

This application is required for prior approval to study away from SPU or to concurrently enroll at another institution, either in the U.S. or abroad. Once signed by an academic counselor (and, when pertinent, your faculty advisor), this form verifies that the courses listed will apply toward your SPU undergraduate degree. The transfer of credits is dependent on SPU's receipt of an official transcript and upon your academic performance as outlined below. For the Leave of Absence Policy and Personal Checklist, please review pages 3-4 of this form.

I. APPLICATION STEPS AND DEADLINES

If Studying in the United States:

All students planning to study in the U. S. need to read, complete, and sign pages 1-2 of this form, and submit it to their undergraduate academic counselor prior to enrollment. Offices are located in Demaray Hall, Room 120. http://www.spu.edu/uac

If Studying Abroad, Outside of the United States:

STEP ONE: Students planning to study abroad must submit pages 1-2 of this form to Student Academic Services, Demaray Hall, Room 120, by the deadline stated below, and prior to enrollment in a third-party program. If it is not possible to meet the SPU deadline because the study abroad program or institution has a later admission process, please contact Jim Kim (jimkim@spu.edu) or Debbie Crouch (dcrouch@spu.edu) to let them know when you will be able to submit the form. (Please note that there are two application deadlines: the deadline for this form and the third-party program's application deadline.)

LEAVE OF ABSENCE POLICY

Students do not apply for readmission to SPU if they take a leave of fewer than nine quarters. The student will be responsible to complete the same degree requirements as expected upon his or her first quarter of matriculation at the University. An associate degree completed during a leave of absence of fewer than nine quarters will not be recognized by the University.

Students approved for leave are eligible for a priority registration appointment upon their return to SPU. If your anticipated quarter of return changes, please notify the Registration Coordinator at 206.281.2568 or email sasinfo@spu.edu.

Additional Requirements:

- Students are not eligible to reside on campus, attend classes, or participate in regular campus activities during their absence.
- Students are responsible for all prior arrangements with applicable student service offices (i.e. Student Financial Services, Student Academic Services, University Services, Residence Life, Athletics, etc.)
- Students must keep the University apprised of their current contact information, including mailing address, email address, and phone number, while on leave of absence.
- Students must meet all regular University deadlines for registration, housing reservations, financial aid applications, and similar matters. Financial aid/scholarship awards and University housing reservations do not automatically carry over.

***Please Note:** Students should continue to check their SPU email regularly.

TRANSFER POLICY

When signed by an academic counselor, and (in cases where credit is expected to count toward a major or minor) by a faculty advisor, this course evaluation form verifies, in principle, the transfer eligibility of each course listed. The final evaluation will be based upon the official academic credentials received. Note that approval of this plan does not excuse a student from University or Department residency requirements. It is the student's responsibility to have verification of enrollment submitted to SPU 15 days before the beginning of the term(s) away and to have an official transcript submitted to SPU upon completion of each term away.

Credits in excess of 20 in any one term will not be transferred, unless the credits are earned through a semester-based program and prior approval is granted. In addition, courses taken concurrently through SPU and another institution—whether in class, by media, through correspondence, or by extension—also may not exceed 20 quarter credits per term.

Any changes to potential transfer classes during a leave of absence must be approved by an academic counselor. Courses will not transfer unless a grade of C (2.0) is earned in each course. Pass/No Credit courses will not transfer unless prior approval is granted.

A NOTE FROM STUDENT FINANCIAL SERVICES

Students must notify Student Financial Services about any change in planned period of enrollment, whether due to withdrawal from a class, a leave of absence, or withdrawal from the University. The specific requirements by which the student agreed to abide at the time any financial aid was accepted will remain in effect. In addition if a student would like to receive financial aid while on a "Leave of Absence – Studying Away" they must complete appropriate documentation and paperwork with SFS as well as this form.

A student who takes a leave of absence may be subject to the federal Return of Title IV and state financial aid return policies and to the terms of their student loan(s). International students are bound by particular federal laws with regard to leave of absence; therefore this policy does not apply to them.

If a student is on a "Leave of Absence – Studying Away" and verification of enrollment from the host institution is **not** submitted to the registration coordinator, the University will report the student's enrollment status to lenders and loan service entities as "not attending," and a student loan borrower's grace period will begin. Students on an SPU leave of absence who do not attend school elsewhere for two consecutive quarters (including summer), or who attend another institution less than half-time for two or more consecutive quarters (including summer) will be expected to begin repayment on some or all of their loans. Students are advised to contact their lender(s) regarding their enrollment plans and for repayment information and grace period expiration.
