

Administrator Professional Certification

Seattle Pacific University offers a one-year Administrator Professional Certification program for eligible Washington State administrators. In the Professional Certification process, the administrator develops and demonstrates competencies as an educational leader who transforms schools and positively impacts student learning.

Seattle Pacific University's Administrator Professional Certification Process in four simple phases:

Engaging the culture, changing the world.

UNIVERSITY

Administrator Professional Certification

Why the SPU Program is Right for You:

- It is **Integrated and Job-embedded**: the self-assessment, the growth plan, and the project are all based on your specific school/program context
- It is **Personally Meaningful**: candidates create their plan and project based on personal & school/program growth needs. They are supported by ongoing networking with their cohort and instructor/mentor (professional learning community format)
- It is **Manageable**: Orientation and six seminar sessions may be completed in one year; additional quarters available as needed
- It is **Accessible**: Both SPU Campus and Regional/District locations available
- It is **Affordable**: Tuition for the entire 12 credit program is \$2990 (Up to 6 credits may apply toward SPU Doctoral program at full graduate rate)
- **Eligibility**: 2 Years Administrative Experience and current administrative contract required
- **Timeframe**: SPU's Administrator Professional Certification program is completed in one year

SPU Requires All Applicants to Submit the Following:

1. Completed Application
2. Letter of Application
3. Copy of official Administrator Residency Certificate
4. Completed Verification of Employment form
5. Non-refundable application fee of \$25 to SPU
