

# Curriculum Vitae

## Jay Matthew Uomoto, M.A., Ph.D.

Revised October 2005

### Current Titles and Affiliation

#### Academic Position

Professor, Department of Graduate Psychology  
Director of Clinical Training  
Seattle Pacific University

#### Clinical Position

Private Practice  
Rehabilitation Psychology and Clinical Neuropsychology  
Seattle, Washington

#### **Birth Date and Place**

11 March 1956 – Seattle, Washington

#### **Citizenship**

United States

#### **Office Address**

School of Psychology, Family and Community  
Seattle Pacific University  
3307 Third Ave. West  
Seattle, Washington 98119

#### **Office Telephone**

206-281-2926

#### **E-mail Address**

uomoto@spu.edu

#### **Licensure**

Licensed Psychologist, State of Washington No. PY00001147  
Issued: March 1987

Licensed Psychologist, State of Georgia No. PSY001949  
Issued: June 1995

### **Education**

1974-1979

B.S. with Distinction in Psychology  
University of Washington  
Seattle, Washington

1979-1983

M.A. in Theology  
Fuller Theological Seminary, School of Theology  
Pasadena, California

1979-1985

Ph.D. in Clinical Psychology  
Fuller Theological Seminary, Graduate School of Psychology  
Pasadena, California

## **Predoctoral Training**

- 1984-1985                      Clinical Psychology Intern  
Department of Psychiatry and Behavioral Sciences  
University of Washington School of Medicine, Seattle, Washington
- 1983-1984                      Clinical Psychology Intern  
Richmond Area Multi-Services, Inc./ National Asian American  
Psychology Training Center, San Francisco, California

## **Postgraduate Training**

- 1985-1986                      Senior Psychology Fellow - Clinical Geropsychology  
Department of Psychiatry and Behavioral Sciences  
University of Washington School of Medicine, Seattle, Washington

## **Previous Academic and Professional Appointments**

### **Academic Appointments**

- 7/2001 to 6/2003              Assistant Professor of Rehabilitation Medicine  
Department of Rehabilitation Medicine  
Emory University School of Medicine  
Atlanta, Georgia
- 9/1997 to 6/2001              Associate Professor of Graduate Psychology/Director of Research  
Department of Graduate Psychology, School of Psychology,  
Family and Community, Seattle Pacific University  
Seattle, Washington
- 8/1999 to 7/2000              Interim Chair, Department of Graduate Psychology  
Seattle Pacific University, Seattle, Washington
- 3/1996 to 8/1997              Clinical Assistant Professor  
Department of Rehabilitation Medicine  
Emory University School of Medicine  
Atlanta, Georgia
- 7/1994 to 4/1995              Clinical Associate Professor  
Graduate School of Psychology, Fuller Theological Seminary  
Pasadena, California
- 7/1993 to 4/1999              Associate Professor of Rehabilitation Medicine  
Department of Rehabilitation Medicine,  
University of Washington School of Medicine  
Seattle, Washington

7/1987 to 6/1993           Assistant Professor of Rehabilitation Medicine  
Department of Rehabilitation Medicine,  
University of Washington School of Medicine  
Seattle, Washington

**Professional Appointments**

7/2001 to 6/2003           Chief, Division of Rehabilitation Neuropsychology  
Section of Physical Medicine and Rehabilitation  
The Emory Clinic, Inc.  
Center for Rehabilitation Medicine, Crawford Long Hospital,  
Wesley Woods Geriatric Hospital Rehabilitation Medicine Unit  
Atlanta, Georgia

1/1998 to 6/2001           Clinical Neuropsychology, Private Practice  
Seattle, Washington

7/1998 to 6/2000           Clinical Neuropsychology and Rehabilitation Psychology  
Swedish Medical Center, Rehabilitation Medicine Unit  
Seattle, Washington

1/1996 to 8/1997           Director of Neuropsychology/Clinical Director  
Acquired Brain Injury Program, The Shepherd Center  
Atlanta, Georgia

5/1995 to 1/1996           Director of Clinical Neuropsychology/Rehabilitation Psychology  
The Rehabilitation Institute, Northeast Georgia Medical Center  
Gainesville, Georgia

7/1987 to 4/1995           Program Director / Clinical Neuropsychologist  
Brain Injury Rehabilitation Program,  
University of Washington Medical Center  
Department of Rehabilitation Medicine  
Seattle, Washington

9/1986 to 6/1987           Program Coordinator and Clinical Neuropsychologist  
Geropsychology Program  
Veterans Administration Medical Center, Psychology Service  
Livermore, California

8/1986 to 6/1987           Staff Neuropsychologist  
Brain Injury Rehabilitation/Chronic Pain Programs - Specialized  
Rehabilitation Services  
Fremont, California

7/1986 to 10/1986          Staff Neuropsychologist  
Division of Rehabilitation Medicine, Herrick Hospital  
and Health Center  
Berkeley, California

## **Previous Administrative Appointments**

9/1993 to 4/1995                      Student Progress Committee  
University of Washington School of Medicine

## **Committee Memberships**

### **National**

American Psychological Association, Division 40 – Clinical Neuropsychology  
Ethnic Minority Affairs Committee (2005 to present)

American Congress of Rehabilitation Medicine  
Clinical Practice Committee Member (2002 to present)/Cognitive Rehabilitation Task Force  
(2002 to present)/Brain Injury Interdisciplinary Special Interest Group (2002 to present)

American Psychological Association, Division 22 (Rehabilitation Psychology)  
Rehabilitation Psychology 2004 conference program committee (2003-2004)

American Psychological Association, Division 40 (Neuropsychology)  
Committee on Minority/Ethnic Affairs (1997-1999)

National Academy of Neuropsychology  
Cultural and Racial Diversity Task Force (1999-2000)

### **Institutional**

Chair, Diversity Committee (2005); Committee Member (2004-2005)  
Seattle Pacific University

Member, Pre-Professional Health Science Advisory Board (2004 to present)

Committee on the Status of Women in Medicine  
Emory University School of Medicine (2002 to 2003)

Strategic Planning Committee  
Emory University School of Medicine, Department of Rehabilitation Medicine  
(2001 to 2003)

Rehabilitation Services Committee  
Emory Center for Rehabilitation Medicine (2001 to 2003)

## **Consultantships**

1998 -1999                      Neuropsychological Consultant to Evergreen Head Injury Re-Entry Center  
Kirkland, Washington

1983 -1984                      Psychological Consultant to Japanese Family Services, Family Service  
Agency of San Francisco (United Way)

1983 -1984                      Psychological Consultant to Kimochi Kai Board and Care Project for  
Older Japanese Americans  
San Francisco, California

### **Editorial Board**

2005-2006                      Member of Editorial Board, *Rehabilitation Psychology*  
American Psychological Association

### **Manuscript Reviewer**

2002 to present                Ad Hoc Reviewer for *Journal of Head Trauma Rehabilitation*

1992 to 2001                    Ad Hoc Reviewer for *Journal of Studies on Alcohol*

### **Awards**

The 2001 Winifred E. Weter Faculty Award, Seattle Pacific University, 2001

Nancy M. Robinson Directorship Award, University of Washington School of Medicine,  
Department of Psychiatry and Behavioral Sciences, 1985

David Allan Hubbard Award, Fuller Theological Seminary, 1985

John Stauffer Fellowship Award, Fuller Theological Seminary, 1985

Clare M. Headington Memorial Scholarship Award, Fuller Theological Seminary, Graduate  
School of Psychology, 1981

Honors Society in Psychology, University of Washington, College of Arts and Sciences, 1977-  
1979

### **Society Memberships**

American Psychological Association  
    Division 22 – Rehabilitation Psychology  
    Division 40 – Neuropsychology

National Academy of Neuropsychology

American Congress of Rehabilitation Medicine

Brain Injury Association of Washington

## Research Focus

Neuropsychology of traumatic brain injury and chronic illness; impact of team functioning on stroke outcomes; brain SPECT and cognitive fatigue; interpersonal diagnosis, affective prosody, interpersonal psychotherapy in acquired brain injury; multicultural aspects of brain injury assessment and rehabilitation

## Grant Support

### Active Support

Title: Development of a Manualized Treatment of Interpersonal Dysfunction  
After Acquired Brain Injury  
Funding Source: Faculty Research Grant  
Center for Scholarship and Faculty Development  
Seattle Pacific University  
Period: 2005-2006  
Total Direct Costs: \$4100  
Role: Principal Investigator

### Previous Support

Title: Improving Urinary Incontinence for Physically Impaired Persons  
Funding Source: Rehabilitation Research Department, Department of Veterans Affairs  
Veterans Affairs, GRECC  
Period: 2002-2004  
Role: Co-Investigator (Principal: Dale C. Strasser, M.D.)

Title: Team Characteristics and Patient Outcomes on Veterans Administration  
Inpatient Rehabilitation Services  
Funding Source: Rehabilitation Research Department, Department of Veterans Affairs  
Merit Review Project #E853-RA/1101R  
Period: 2000-2004  
Role: Co-Investigator (Principal: Dale C. Strasser, M.D.)

Title: Long-Term Care Use in Japanese American Elderly  
Funding Source: National Institute on Aging 2 R01 AG1114305  
Period: 1996-2001  
Total Direct Costs: \$1,210,687  
Role: Co-Principal Investigator (Principal: Wayne C. McCormick, M.D.)

Title: Depression Following Mild Traumatic Brain Injury  
Funding Source: Pfizer Co.  
Period: Unrestricted  
Total Direct Costs: \$27,000  
Role: Co-Principal Investigator (Principal: Jesse Fann, M.D.)

Title: Long-Term Care Use in Japanese American Elderly  
Funding Source: National Institute on Aging/National Center for Nursing Research  
Period: 1992-1996  
Total Direct Costs: \$695,687  
Role: Co-Principal Investigator (Principal: Wayne C. McCormick, M.D.)

Title: Epidemiology of Dementia in Older Japanese Americans  
Funding Source: National Institute on Aging  
Period: 1991-1996 (completed involvement in 1995)  
Total Direct Costs: \$3,298,962  
Role: Co-Investigator (Principal: Eric B. Larson, M.D.)

Title: Training Psychologists for the Rehabilitation Medicine Setting  
Funding Source: Department of Education, Rehabilitation Services  
Administration Period: 1990-1995  
Total Direct Costs: \$108,554  
Role: Training Faculty (Principal: David R. Patterson, Ph.D.)

Title: Training Family Members Skills in Managing Behavioral Disturbance in the Brain Injured Patient - Research and Training Center for TBI  
Funding Source: National Institute of Disability and Rehabilitation Research  
Period: 1988-1993  
Total Direct Costs: \$36,055  
Role: Project Principal Investigator (RTC Director: Justus F. Lehman, M.D.)

Title: Training Family Members Behavior Management Skills in Traumatic Brain Injury  
Funding Source: National Institute of Health, Biomedical Research Support Grant  
Period: 1990-1991  
Total Direct Costs: \$6,967  
Role: Principal Investigator

Title: Region X Consortium Training in Brain Injury Vocational Rehabilitation  
Funding Source: Department of Education, Rehabilitation Services Administration  
Period: 1988-1990  
Total Direct Costs: \$106,991  
Role: Training Faculty (Principal: Robert T. Fraser, Ph.D.)

Title: Treatment of Depression in Alzheimer's Disease  
Source of Funding: National Institute of Mental Health  
Period: 1988-1992  
Total Direct Costs: \$341,891  
Role: Co-Investigator (Principal: Linda Teri, Ph.D.)

### **Formal Teaching**

1988-1994 University of Washington School of Medicine  
Department of Rehabilitation Medicine  
REHAB 414 - Psychological Aspects of Disability

1997 to 2001                      Seattle Pacific University, School of Psychology, Family and Community,  
Department of Graduate Psychology and Department of Psychology  
Seattle, Washington

CPY = Ph.D. in Clinical Psychology Program; MFT = Marriage and Family Therapy  
Program; PSY = B. S. in Psychology Program

CPY 7200 – Biopsychosocial Aspects of Personality  
CPY 7210 – Developmental Psychology  
CPY 7220 – Psychopathology  
CPY 7230 – Cognition and Learning  
CPY 7010 – Psychometric Theory and Test Construction  
CPY 7030 – Research Design  
CPY 7050 – Advanced Research Statistics  
CPY 7060 – Research Colloquium  
CPY 6330 – Physiological Psychology  
CPY 7100 – Behavioral Neuroscience  
CPY 7110 – Psychopharmacology  
CPY 7120 – Medical Issues and Psychopharmacology  
CPY 6290 – Diversity Issues in Clinical Psychology  
CPY 7002 – Faith and Professional Practice: Development  
CPY 7810 – Clinical Portfolio and Evaluation  
CPY 7995 – Dissertation Supervision  
CPY 7912 – Multicultural Aspects of Clinical Psychology  
MFT 6210 – Multicultural Issues in Marriage and Family Therapy  
MFT 6630 – Physiological & Medical Issues/Marriage & Family Therapy  
CPY 6300 – Introduction to Personality Theory  
CPY 7410 – Introduction to Health Psychology  
CPY 7141 – Health and Neuropsychological Assessment  
CPY 7142 – Medical Psychology Interventions  
CPY 7144 – Advanced Medical Psychology Interventions  
PSY 3558 – Research Methods in Psychology  
PSY 3559 – Tests and Measures in Psychology

2003 to Date                      CPY 7144 – Advanced Medical Psychology Interventions  
CPY 7100 – Behavioral Neuroscience  
CPY 7200 – Personality Theory and Research  
CPY 7110 – Psychopharmacology  
CPY 7120 – Medical Issues and Psychopharmacology  
CPY 7102 – Neural Basis of Behavior II  
CPY 7141 – Health and Neuropsychological Assessment  
CPY 7147 – Health Psychology and Behavioral Medicine

### **Lectureships, Seminar Invitations, and Visiting Presentations**

"Traumatic Brain Injury Rehabilitation", Medical Aspects of Disability for Vocational  
Rehabilitation Counselors,  
Seattle, Washington. May 1988.

"Physiology and Behavioral Aspects of Traumatic Head Injury", National Rehabilitation Association  
Everett, Washington. September 1988.

"Neuropsychological Testing", Review Course in Physical Medicine and Rehabilitation,  
Seattle, Washington. March 1989.

"Traumatic Brain Injury: Cognitive and Behavioral Rehabilitation", Review Course in Physical  
Medicine and Rehabilitation  
Seattle, Washington. March 1989.

"Anger Management After Traumatic Brain Injury", Pacific Northwest Neuropsychological  
Society,  
Seattle, Washington. January 1990.

"Traumatic Brain Injury", Medical Aspects of Disability for Vocational Rehabilitation Counselors,  
Seattle, Washington. May 1990.

"Behavioral Interventions", Brain Injury-Update Conference. University of Washington School of  
Medicine,  
Seattle, Washington, November 1990.

"Case Management", Brain Injury-Update '90 Conference. University of Washington School of  
Medicine,  
Seattle, Washington, November 1990.

"Self-Reported Memory in Post-Concussion Patients: An Issue of Suffering", Pacific Northwest  
Neuropsychological Society.  
Seattle, Washington. November 1990.

"Traumatic Brain Injury: Cognitive and Behavioral Intervention", Review Course in Physical  
Medicine and Rehabilitation,  
Bellevue, Washington. April 1991.

"Traumatic Brain Injury", Medical Aspects of Disability for Vocational Counselors Conference,  
Seattle, Washington. May 1991.

"Post-Concussion Syndrome and Chronic Pain After Mild Traumatic Brain Injury. "Washington  
State Medical Association.  
Seattle, Washington. September 1991.

"Dual Disability (Chemical Dependence and TBI): Report on the Division of Alcohol and  
Substance Abuse Educational Workshops - Lessons Learned"  
Washington State Head Injury Foundation Annual Conference  
Seattle, Washington. October 1991.

"Cognitive Rehabilitation", Annual Neurological Symposium: Neurotrauma 1992,  
Seattle, Washington, February 1992.

"Traumatic Brain Injury", Medical Aspects of Disability for Vocational Rehabilitation Counselors,  
Seattle, Washington, March 1992.

"Cognitive Rehabilitation in Neuropsychology: Is It Effective?" Washington Defense Trial Lawyers Second Annual Medical Seminar: Evaluation and Management of Brain Disorders. Seattle, Washington. June 1992

"Neurobehavioral Consequences of Persistent Post-Concussion Syndrome", Mild Brain Injury: The State-of-the-Art, Mountlake Terrace, Washington, September 1992.

"Suffering, Ethics, and the Goals of Brain Injury Rehabilitation", University of Washington School of Medicine, Department of Rehabilitation Medicine Seattle, Washington, December 1992.

"Traumatic Brain Injury and Neurological Impairments" Higher Education Board of the State of Washington Seattle, Washington. March 1993

"Traumatic Brain Injury", Medical Aspects of Disability for Vocational Rehabilitation Counselors Seattle, Washington, March 1993.

"The Centrality of Suffering in Quality of Care in Neurological Rehabilitation", Washington State Head Injury Foundation Annual Conference Seattle, Washington. October 1993.

"Behavioral Aspects of Stroke", Home Care Association of "Traumatic Brain Injury and Alzheimer's Disease", "Neuropsychological Assessment of Brain Damage", Handling the Traumatic Brain Injury Case, Washington State Head Injury Foundation Seattle, Washington. May 1994.

"Behavioral Sequelae of Traumatic Brain Injury," Medical Aspects of Disability for Vocational Rehabilitation Counselors, Video Teleconference Seattle, Washington August 1994.

"Neuropsychological Testing: How Psychologists Administer and Interpret Tests in Workers' Compensation Cases," Washington State Bar Association, Workers' Compensation Seminar. Seattle, Washington. September 1994

"Identifying a Closed Head Injury and Its Consequences," Washington State Trial Lawyers Association Legal Education Seminar. Seattle, Washington. November 1994

"Pharmacology and Cognition," Evaluation and Treatment of Patients with Cognitive Impairments Conference Bellevue, Washington. March 1995

"Suffering and Traumatic Brain Injury," Emory University School of Medicine, Center for Rehabilitation Medicine Atlanta, Georgia, November 1995.

"Traumatic Brain Injury Workshops," Northeast Georgia Medical Center, Gainesville, Georgia, November-December 1995.

"Ethics and Ethnics: Clinical Decision-Making in the Multicultural Context," Georgia State Psychological Association Annual Conference.  
Hilton Head Island, South Carolina. January 1996.

"Neuropsychological Assessment of the Elderly Following Traumatic Brain Injury."  
Georgia Brain Injury Association Annual Conference  
Augusta, Georgia. February 1997.

"Neuropsychology for the Psychotherapist," Psychological Studies Institute,  
Atlanta, Georgia, March 1997.

"Suffering, Soul Care, and Psychotherapy," George Fox University  
Newberg, Oregon, February 1997.

"Neuropsychological Evaluations: Why and When to Use Them." Traumatic Brain Injury  
Networking Group,  
Seattle, Washington, November 1997.

"Cross Cultural Aspects of Dementia." Alzheimer's Disease Public Forum, University of  
Washington,  
Seattle, Washington, September 1998.

"Excess Disability After Brain Injury: Toward a Tripartite Approach." Conference titled What  
Makes Managing Brain Injury Cases So Tough? Brain Injury Association of Washington,  
Kirkland, Washington, September 1998.

"Cross Cultural Caregiving." Conference on Alzheimer's Disease: Culture and Care.  
Seattle, Washington. April 1999.

"Update on the Neuropsychological Literature in Neuropsychology." Washington State Trial  
Lawyers Association Conference  
Seattle, Washington. May 1999.

"Cognitive Problems in Patients with Chronic Pain."  
Washington State Trial Lawyers Association Conference  
Seattle, Washington. November 1999.

"Cognitive Problems in Children with Epilepsy." Epilepsy Foundation of Washington  
Seattle, Washington. May 2000.

"Neuropsychology: The Sensitivity of Neuropsychological Testing to Traumatic Brain Injury  
Deficits." Conference entitled "Handling the Traumatic Brain Injury Case", Brain Injury  
Association of Washington.  
Seattle, Washington. May 2000.

"Cognitive and Behavioral Problems in Children with Epilepsy." Vancouver School District,  
Vancouver, Washington. October 2000.

"Traumatic Brain Injury." Conference on Dual Diagnosis: Working Together in Supporting Persons with Developmental Disabilities and Mental Illness. Divisions of Developmental Disabilities and Mental Health, King County, Washington  
Seattle, Washington. October 2000.

"Neuropsychology of Memory." Washington Association on Postsecondary Education and Disability, Spring Conference  
Leavenworth, Washington. April 2001.

"The Relationship Heals: Patient-Provider Transactions in the Rehabilitation Setting." Georgia Association of Rehabilitation Nursing  
Atlanta, Georgia. April 2002.

"Neural Correlates of Stroke Rehabilitation." Department of Rehabilitation Medicine, Emory University School of Medicine  
Atlanta, Georgia. June 2002

### **Invitations to National Conferences**

"Depression and Anxiety Management in Patients with Disability", American Physical Therapy Association, Montana Chapter  
Bozeman, Montana. September 1990.

"Anger Management in Neurologically Impaired Patients", American Physical Therapy Association, Montana Chapter  
Bozeman, Montana. September 1990.

"What Do You Do With Non-Compliant Patients? Enhancing Treatment Adherence", American Physical Therapy Association, Montana Chapter. Bozeman, Montana. September 1990.

"Behavior Management Case Studies",  
National Head Injury Foundation Ninth Annual National Symposium  
New Orleans, Louisiana. November 1990.

"The CERAD Neuropsychological Battery"  
Honolulu Heart Program and the NIA Japanese Dementia Study,  
Honolulu, Hawaii. July 1991.

"Current Perspectives on the Post-Concussion Syndrome", Brain Injury Rehabilitation: Advances in Clinical Practice.  
Vancouver, B. C. June 1992

"Panel on Bioethics in Rehabilitation Medicine"  
American Occupational Therapy Association National Conference  
Seattle, Washington. May 1993.

"Excess Disability Associated with Co-Existing Mild Head Injury and Chronic Pain", Braintree Brain Injury Rehabilitation Annual Conference  
Cambridge, Massachusetts. September 1993.

"Neurobehavioral Diagnosis and Management of CNS Patients", Tenth Annual Physical Medicine Short Course, The Office of the Surgeon General, US Department of Army Tacoma, Washington. March 1994.

"Complicated Mild Head Injury: Excess Disability Associated with Chronic Pain," part of a symposium entitled "Re-Thinking Minor Traumatic Brain Injury." American Congress of Rehabilitation Medicine  
Minneapolis, Minnesota. June 1994.

"TBI and Alzheimer's Disease"; "A Review of Recent Medical Literature Regarding Mild Traumatic Brain Injury"; "Mild Traumatic Brain Injury: Medical and Psychological Issues"; "Determining Causation and Prognoses in Post-Concussion Syndrome Cases". National Head Injury Foundation Annual Trial Lawyers Conference  
Palm Beach, Florida. September 1994.

"Suffering After Brain Injury: Research and Clinical Implications," Research Conference at Glenrose Rehabilitation Hospital.  
Edmonton, Alberta, Canada. February 1995.

"Suffering and the Goals of Brain Injury Rehabilitation," Department of Rehabilitation Medicine, University of Alberta  
Edmonton, Alberta, Canada. February 1995.

"TBI and Alzheimer's Disease"; "A Review of Recent Medical Literature Regarding Mild Traumatic Brain Injury"; "Diagnosing Traumatic Brain Injury - Developments in Neuropsychological Testing." National Brain Injury Association (formerly National Head Injury Foundation) Annual Trial Lawyers Conference.  
Colorado Springs, Colorado. September 1995.

"The Uses and Abuses of Neuropsychological Assessment in Mild Traumatic Brain Injury." National Brain Injury Association, Annual Trial Lawyers Conference  
Palm Beach, Florida. September 1996.

"Religious Coping in Rehabilitation Medicine." Rehabilitation Chaplains Network Conference  
Chicago, Illinois. October 1996.

"Neuropsychology, Disability, and Aging." The Association for Persons with Severe Handicaps (TASH) Annual National Conference  
Seattle, Washington. December 1998.

"Multicultural Perspectives in Traumatic Brain Injury Rehabilitation." National Institute of Disability and Rehabilitation Research (NIDRR), State-of-the-Science Conference on Rehabilitation Interventions Following Traumatic Brain Injury.  
Washington, D. C. September 2003.

"Medical Literature Update on Mild-Moderate Traumatic Brain Injury". Conference on Handling the Traumatic Brain Injury Case, Brain Injury Association of Washington  
Seattle, Washington. May 2004

“Neuropsychological Assessment in Traumatic Brain Injury”. Conference on Mental Health and Brain Injury: Clinical Assessment and Treatment. Brain Injury Association of Colorado / University of Colorado School of Medicine Vail, Colorado. September 2005
