

Curriculum Vitae

David Gage Stewart

School of Psychology, Family and Community
Department of Clinical Psychology
Seattle Pacific University

Department Address:

Clinical Psychology
Marston Hall, Suite 107
Seattle Pacific University
Seattle, WA 98119-1997

Home Address:

9609 13th Ave SW
Seattle, WA 98106

Education

- 1992-1998 Ph.D., Clinical Psychology, San Diego State University/ University of California, San Diego, Joint Doctoral Program in Clinical Psychology
- 1989-1992 Bachelor of Arts, Psychology, California State Polytechnic University, Pomona
- 1986-1989 Georgia State University, Atlanta, GA
- 1984-1986 Princeton University, Princeton, NJ

Academic Positions

- 2006-present **Associate Professor and Director of Clinical Training**, Department of Clinical Psychology, Seattle Pacific University
- 2004-2006 **Associate Professor**, Department of Graduate Psychology, Seattle Pacific University
- 2004-present **Clinical Assistant Professor**, Department of Psychiatry and Behavioral Sciences, University of Washington
- 2002-2004 **Assistant Professor**, Department of Psychiatry and Behavioral Sciences, University of Washington
- 2000-2002 **Acting Assistant Professor**, Department of Psychiatry and Behavioral Sciences, University of Washington
- 1998-1999 **Community/Child Psychology Postdoctoral Fellow**, Department of Psychiatry and Behavioral Sciences, University of Washington.

1996-1997 **Psychology Intern**, Child and Adolescent Track, University of Washington School of Medicine.

1992-1996 **Graduate Research and Teaching Associate**, San Diego State/ University of California, San Diego, Joint Doctoral Program in Clinical Psychology

Research

2000-2003 **Principal Investigator: National Institute on Drug Abuse Award R03DA12974-01: READY: School-Based Substance Abuse Intervention.** *Project to provide integrated, cognitive-behavioral substance abuse intervention to middle school youth involved in the juvenile justice system.*

2000-2005 **Co- Investigator: (50% effort) National Institute on Drug Abuse Award 1R21DA13275-01A1: Developing the Prime Time Project for Double Jeopardy Youth.** *Project to evaluate the effectiveness of a multisystemic based intervention that integrates cognitive behavioral substance abuse interventions and Dialectical behavioral skills training techniques in treating youth in the juvenile justice system with co-occurring mental health and substance use disorders.(Eric Trupin, Ph.D., Principal Investigator).*

2001-2005 **Research Consultant: (10% effort). National Institute of Mental Health Award R01MH63711-01: Emergence of Co-occurring Depressive and Externalizing Problems: Phenomenology, Course, and Outcome** *Study is designed to identify developmental precursors, describe phenomenology, document developmental sequences, identify moderators and mediators of longitudinal course, and document functional outcomes in 6th grade children with internalizing, externalizing, combined and no symptoms. (Ann Vander Stoep, Ph.D., Principal Investigator)*

1997-1999 **Research Coordinator: Governor's Juvenile Justice Advisory Committee Challenge Grant, University of Washington and Echo Glen Children's Center.** *Project studied the implementation of a Dialectical Behavioral Therapy skills training program for girls exhibiting suicidal behavior in a juvenile institution. (Eric Trupin, Ph.D., Principal Investigator).*

1992-1996 **Research Associate: (50% effort) National Institute on Alcohol Abuse and Alcoholism Minority Supplement Award 3R01AA07033-07S: Adolescent Alcohol Treatment Outcome Recovery Patterns.** *Participated in all aspects of NIAAA-funded longitudinal study of adolescent substance abusers (Sandra A. Brown, Ph.D., Principal Investigator).*

Teaching

- 2004-present Seattle Pacific University Graduate Psychology: Doctoral Clinical Psychology Program:
CPY 7951/7201 Psychology of Addictive Behavior
CPY 7310 Psychological Interventions I: Cognitive & Behavioral Therapies
CPY 7000 History and Systems of Psychology
CPY 7510 Family Developmental Life Cycles
CPY 7280 Diversity and Cultural Issues in Clinical Psychology
- 1999-2004 **Rotation Coordinator**, University of Washington, Department of Psychiatry and Behavioral Sciences, Clinical Psychology Internship Community/Child Track. Primary supervisor and preceptor/mentor for clinical psychology interns conducting clinical interventions, policy projects and program development activities.
- 1999-present **Founding Faculty Member**, Washington State Institute for Mental Health Research and Training Adolescent Co-Occurring Disorder Case Management Academy. A collaboration between the University of Washington and the State Divisions of Mental Health and Substance Abuse to provide intensive training in treatment of co-occurring disorders in adolescent. Responsible for curriculum development and teaching of 12 hours per quarter.
- 1998-present **Didactic Instructor**, University of Washington, Psychology Internship Program Coordinated a series of didactic presentations to the psychology internship program on cultural competence. Presented lectures on adolescent substance abuse and interventions with juvenile justice populations.
- 1994-1995 **Graduate Teaching Associate**, Abnormal Psychology, Department of Psychology San Diego State University. Course instructor for upper division class for one academic year.

Stewart, D.G. (2005, May) Motivational Interviewing for Adolescents and Families. *Workshop presented at the Children's Hospital Obesity Action Network, Seattle*

Stewart, D.G. (2004, July) Co-occurring Disorders in Adolescents: Developmental Pathways and Effective Interventions. *Plenary Address, University of Washington, School of Nursing, Summer Institute on Addiction and Mental Illness in Adolescents.*

Stewart, D. G. (2004, June) Effective treatment interventions. *Presentation to the SAMHSA National Policy Academy on Improving Services for Youth with Mental Health and Co-Occurring Substance Use Disorders Involved with the Juvenile Justice System, Washington DC.*

Stewart, D.G. (2004, June) Multisystemic therapy: implementation of a continuum of care in Washington State. *Washington Behavioral Healthcare Council, Annual Conference, Wenatchee, WA.*

Stewart, D.G. & Trupin, E.W. (2004, January). Community transitions of incarcerated mentally-ill youth: Initial outcomes from the FIT project. *Presentation at the Third Annual International Multisystemic Therapy Conference, Charleston, SC.*

Stewart, D.G. (2003) Youth Marijuana Use. *White House Office on Drug Control Policy Media Briefing, Seattle, WA*

Stewart, D.G. & Haapala, D. (2003, May) A Brief course in implementing multisystemic therapy. *Invited Workshop at the Portland State University/ Pioneer Northwest Addiction Technology Transfer Center: Co-Occurring Disorders: Implementing Evidence-Based Interventions Conference, Portland, OR.*

Stewart, D.G. (2003, February) Assessment and treatment of adolescent co-occurring disorders. *Invited Workshop at the Florida Alcohol and Drug Abuse Association Adolescent Conference, Tampa, FL.*

Stewart, D.G. and Ries, R (2002, October) Integrated treatment of co-occurring disorders in adolescents. *Invited workshop at the Washington State Association of Superior Court Judges, Fall Conference, Spokane, WA.*

Clinical Positions

2006-present **Director of Clinical Training**, Seattle Pacific University

2003-2004 **System Supervisor**, University of Washington MST Network Partnership
Provide clinical consultation and program development to new and existing MST programs in Washington State.

1998-2006 **Clinical Supervisor**, Prime Time Project, University of Washington. Supervised all aspects of a program serving youth with co-occurring mental health and substance use disorders in the juvenile justice system. Program implements Multisystemic

Therapy (MST) and additionally applies cognitive behavioral interventions for adolescent mental health and substance abuse. Supervisees include Masters level mental health therapists, Bachelor level case managers, Chemical Dependency Professionals and Psychology and Psychiatry residents.

- 1997-1998 **Postdoctoral Fellow**, Prime Time Project, Odessa Brown Children's Clinic
Served as a primary clinician as well as a supervisor in the above-described project.
- 1996-1997 **Psychology Intern**, University of Washington, Seattle
- 1992-1996 **Psychology Practicum Student**, University of California, San Diego and VA Medical Center, San Diego
- 1991-1992 **Group Counselor** Twin Pines Youth Treatment Center, Riverside County Probation Department, Riverside, CA.
- 1989-1991 **Mental Health Assistant**, Canyon Ridge Hospital, Adolescent Unit, Chino, CA
- 1987-1989 **Clinical Assistant**, Ridgeview Institute, Adult Psychiatric Unit, Atlanta, GA

Consulting

- 2010 Consultant, New York State Office of Children and Family Services, Family Integrated Transitions Program
- 2009 Advisory Board, Washington State Juvenile Rehabilitation Administration, Models for Change Program
- 2009 Consultant, Substance Abuse and Mental Health Services Administration, Co-occurring State Incentive Grant (CoSig). State of Arizona
- 2008-present Consultant, MacArthur Foundation, Models for Change Grant, Louisiana State Board of Regents
- 2007-present Consultant, Louisiana State Supreme Court, Office of Court Services, Juvenile Drug Court Program
- 2006-present Consultant, State of Arizona Department of Juvenile Corrections

2006-present Consultant, Policy Research Associates, Substance Abuse and Mental Health Services Administration

2004-present Consultant, State of Washington Division of Alcohol and Substance Abuse (DASA). *Provide consultation in program development for inpatient services for minority youth with co-occurring disorders.*

2002-present Consultant, Louisiana State University Health Sciences Center, *Provide consultation to the State of Louisiana juvenile corrections system*

2000-present Consultant, Juvenile Rehabilitation Administration Transition Project for youth with co-occurring disorders. *Provided initial training and ongoing weekly consultation to the clinical sites implementing the JRA Transition project.*

2001 Consultant, GAINS Center for Co-occurring Disorders in the Juvenile Justice system

1999 Consultant, United States Department of Justice. *Reviewed records for Justice Department lawsuit vs. State of Louisiana Department of Youth Services.*

1999 Consultant, Center for Substance Abuse Treatment (CSAT), Drug Court Information Processing, Technical Assistance Project, Silver Spring, Maryland

Clinical Licensure and Certification

State of Washington, Licensed Clinical Psychologist, #2443

State of Washington Certified Chemical Dependency Professional, #4056

National Association of Alcohol and Drug Abuse Counselors:
Certified Master Addiction Counselor, #501865

Departmental and Community Service

Seattle Pacific University
2007-2009 Faculty Council

2007-2009 Chair, Graduate Policy and Evaluation Committee

2005 Member Graduate Policy and Evaluation Committee

First United Methodist Church, Seattle

2009 Lay pastor

2008-2009 Home visitor, stewardship campaign

2003 to present Member, Youth Council

2003 to present Teacher, Journey to Adulthood Program

University of Washington, Department of Psychiatry and Behavioral Sciences

1998-2004 Diversity Advancement Committee, co-chair

2001-2004 Didactics Planning Committee, member

1999-2004 Research Mentor, Psychology Internship

1999-2006 Preceptor, Psychology Internship

State of Washington

2004-present Member Co-occurring Disorders Interagency Advisory Committee (CODIAC),
Research Subcommittee

1999-present Member Co-Occurring Disorders Transition Planning and Advisory Committee

Awards

2002 Outstanding Contribution to Psychology Internship Award

2002 NIH Clinical Research Loan Repayment Program

1993 San Diego Fellowship

1992 California State University Doctoral Incentive Award

1992 California State University President's List

1984 National Achievement Scholar
